

# Host Your Own Event Ideas

## Community Fundraisers

BBQ's, car washes, lemonade stands, bake sales, garage sales – whatever your passion and interest is, turning it into a fundraising event is simple. Invite your coworkers, classmates, friends and neighbours to participate and contribute to your event.

## A-Thons

Walk-a-thon, Bowl-a-thon, Yoga-a-thon and more! These events are a great way to bring friends together to participate in doing something you all love. Participants invite their friends and families to donate in support of their participation in these events. Online fundraising pages are also a great tool to support these events.

## Birthdays & Special Occasions

Encourage friends and family to donate to the Arthritis Society in lieu of receiving gifts.

## Tournaments

Whether already established or you are thinking of launching a new event, tournaments are a great way to raise funds for the Arthritis Society. Not sporty? Host a video game or board game tournament.

## Workplace Campaigns

Collect a toonie from employees for dress down Fridays. Inquire if your workplace offers corporate matching programs. Host a bake sale, coffee morning, promotional draw – if you can dream it, we can help build it.

## Move Your Way

Take the stairs at work for a week, go for a walk at your local park, run a marathon, do a yoga class, throw a dance party. There isn't one way to move, or a specific day to do it, just pick your way to move, create a fundraising page, and ask your friends, and family to support you.

**MOVE**  
Your Way
